FINDING

There being a finding/verdict of **GUILTY**, defendant has been convicted as charged of the offense(s) of:

Count 1: Conspiracy To Defraud The United States 18 U.S.C. § 286; Counts 28-35: False Claims to the United States, Aiding and Abetting and Causing an Act to Be Done 18 U.S.C. §§ 287, 2

**JUDGMENT
AND PROB/
COMM
ORDER**

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant is hereby placed on probation on each of Counts 1 and 28 through 35 for a term of: **TWO (2) YEARS**, to be served concurrently, under the following terms and conditions:

It is ordered that the defendant shall pay to the United States a special assessment of \$900, which is due immediately.

It is ordered that the defendant shall pay restitution in the total amount of \$69,335 pursuant to 18 U.S.C. § 3663A.

The amount of restitution ordered shall be paid as follows:

<u>Victim</u>	<u>Amount</u>
United States Department of Defense, Defense Finance and Accounting Service	\$69,335

The defendant shall make nominal monthly payments of at least 10% of defendant's gross income, but not less than \$ 25, whichever is greater, during the term of probation. Payments shall begin 30 days after the commencement of supervision. Nominal restitution payments are ordered as the Court finds that the defendant's economic circumstances do not allow for either immediate or future payment of the amount ordered.

The defendant shall be held jointly and severally liable with co-participant Bladimir Molina Flores (Docket No. 2:13CR00674) to the extent that said co-participant is convicted and determined liable for the same victim losses for which restitution is ordered in this judgment. The victim's recovery is limited to the amount of the victim's loss and the defendant's liability for restitution ceases if and when the victim receives full restitution.

Pursuant to 18 U.S.C. § 3612(f)(3)(A), interest on the restitution ordered is waived because the defendant does not have the ability to pay interest. Payments may be subject to penalties or default and delinquency pursuant to 18 U.S.C. § 3612(g).

Pursuant to Guideline § 5E1.2(a), all fines are waived as the Court finds that the defendant has established that he is unable to pay and is not likely to become able to pay any fine.

1. The defendant shall comply with the rules and regulations of the United States Probation Office, General Order 05-02, and General Order 01-05 including the three special conditions delineated in General Order 01-05.

USA vs. FRANCISCO SALASDocket No.: CR 13-674-CAS-3

2. During the period of community supervision, the defendant shall pay the special assessment and restitution in accordance with this judgment's orders pertaining to such payment.
3. The defendant shall apply all monies received from income tax refunds to the outstanding Court-ordered financial obligation. In addition, the defendant shall apply all monies received from lottery winnings, inheritance, judgments and any anticipated or unexpected financial gains to the outstanding court-ordered financial obligation.
4. The defendant shall participate in mental health treatment, which may include evaluation and counseling, until discharged from the treatment by the treatment provider, with the approval of the Probation Officer.
5. As directed by the Probation Officer, the defendant shall pay all or part of the costs of treating the defendant's mental health treatment to the aftercare contractor during the period of community supervision, pursuant to 18 U.S.C. § 3672. The defendant shall provide payment and proof of payment as directed by the Probation Officer.
6. The defendant shall participate for a period of six months in a home detention program which may include electronic monitoring, GPS, Alcohol Monitoring Unit or automated identification system and shall observe all rules of such program, as directed by the Probation Officer. The defendant shall maintain a residential telephone line without devices and/or services that may interrupt operation of the monitoring equipment.
7. The defendant shall cooperate in the collection of a DNA sample from the defendant.

The drug testing condition mandated by statute is suspended based on the Court's determination that the defendant poses a low risk of future substance abuse.

The Court authorizes the Probation Officer to disclose the Presentence Report, and/or any previous mental health evaluations or reports, to the treatment provider. The treatment provider may provide information (excluding the Presentence report), to State or local social service agencies (such as the State of California, Department of Social Service), for the purpose of the client's rehabilitation.

Defendant informed of his right to appeal.

Bond exonerated.
